'Go-To-Church'

Next Sunday is "Go-to Church Sunday" in Earlington and all people of all denominations are being systematically invited and urged to attend religious services at some church on that good day. This movement is said to have been conceived last year at Joliet, Ill., and from the Middle west the plan spread into many parts of the country including conservative New England.

"Every Sunday should be a Go-to-church Sunday," of course, says the Presbyterian Examiner, "but unfortunately there are many church members who have fallen into the habit of making Stay-at-home Sundays, Automobile Sundays and Outing or Visiting Sundays more frequent in the calendar than the Sundays that they occupy their pews in the house of worship."

The movement has been at most nation-wide during the past few months and special days continue to be designated by religious workers in many places and observed by masses of people.

This has been done in cities, large and small, in villages and rural districts, and the movement continues and does not seem to lose its force. Here, the resident pastors of various churches, assisted by representative laymen, have laid plans that are working quietly and effectively to attract the interest and enthusiasm of Earlington people generally and secure their co-operation in the filling of all the local churches on next Sunday. Earlington people have a way of joining with enthusiasm in movements for the public good and it is confidently expected they will make next Sunday a record that will compare favorably with the observance of "Go-to-Church-Sunday" in any other Kentucky town. There are some high marks to strive for in this movement. Marion recently filled every church in that place to overflowing. Henderson, too, made a fine record. The churches and Sunday Schools of Earlington are active and alive, and each organization is at work.

Let all our people respond, "for the good we all may do" and to help keep Earlington on the map as a mover in all good works.

Auction Whist Club

Mrs. Delia Southworth was the hostess of the Auction Club on Friday afternoon. Mrs. McKinnon made the best score. Mesdames Kline, Rule, Daves and Southworth lead in the total score. Mrs. Ross was an attractive visitor.

SPECIAL TO WOMEN

The most economical, cleansing and germicidal of all antiseptics is

Paxtine

A soluble Antiseptic Powder to be dissolved in water as needed.

As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine ills it has no equal. For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been cured say it is "worth its weight in gold." At drugists. 50c. large box, or by mail. The Paxton Toilet Co., Boston, Mass.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Don't Hesitate! A Laxative is Necessary if Tongue is Coated, Breath Bad or Stomach Sour

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company." Don't be fooled.

Appendicitis Insurance Rates Increased to \$5

London, March, 19.—A group of Lloyd's underwriters some months ago fixed a premium fixed a premium of \$2.50 for policies of insurance against appendicitis covering all claims for expenses up to \$500. There have been so many claims that it has been found impossible to continue on these terms. A new syndicate has been formed, however, and the premium has been raised to \$5.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Sold by all Druggists, 75 cents.
Take Hall's Family Pills for constipation.

Ashes of Baron Sent to Germany by Post

New York, Mar. 19.—The ashes of Baron Carl Gromadzinsky, who died at New Rochelle of apoplexy a month ago, were shipped yesterday by parcel post to his old home in Germany by his friend Robert Lesser.

The package, weighing eight pounds, cost \$1.05 to send and was addressed to Baron Sondermann at Sinter, Posen.

Baron Sondermann purchased the estate from the Gromadzinsky family many years ago, but the family holds the right of burial in the ancestral vault.

Ratish physics react; weaken the bowels, will lead to chronic constipation. Doan's Regulars operate easily. 50c a box at all stores.

KRAZY KOLUMN BIRTHDAYS

If you were born on March 4, you will be high minded, so you will have to wear a hat with a large crown to cover your mind.

HE DIDN'T SPEAK IT

HEALTH and BEAUTY

Many persons are troubled with superfluous hair. The constant use of a straight edge or a safety razor will serve as a good remedy.

ANSWERS TO QUERIES

G.K.—Hens eggs are easier to poach than ducks eggs. You have to drown an egg to poach it. Duck eggs swim for a long time while hen's egg drown quickly.

FASHION COLUMN

NOTE.—The above gown is made of cocoon leather and is to be worn at social functions in the summer. Can be worn in winter with a fur coat covering.

Four ranchmen were driving a horde of pigs into an iron foundry, to be made into pigiron. Of course pigs must be fed on solid food, so that they become hard. Soft pigs are only made into hams and loins of pork. Because of the iron in pigs, pork is so indigestible. After all the pigs had been driven into the melting pots, the men started for their homes to get luncheon. One of them said to his partner, "If the Mediterranean Sea overflowed and a great many people were drowned, would the Dead Sea?"
